EDUCATION

LOYOLA-ICAM COLLEGE OF ENGINEERING AND TECHNOLOGY

2023-2027

BE in COMPUTER SCIENCE

ENGINEERING (ONGOING)

CGPA:8.37

ROSEMARY MATRIC.HR.SEC.SCHOOL

+2(92.8%), +1(90%)

CERTIFICATIONS

- **Hacker Rank: SQL**
- **Simplilearn: Introduction to Cyber Security**

SKILLS

- **Programming language:** Java
- **Technologies :** Web Development, SQL, Database Management, UI/UX Design.
- **Tools :** Figma

PROFILE

A Motivated final year Computer Science Engineering student with a strong foundation in problem-solving and technology. Passionate about learning new skills, applying knowledge to real-world projects, and collaborating in team environments. Possesses strong analytical abilities, a proactive mindset, eager to contribute to innovative solutions in computer science.

PROJECTS

- **Emergency SOS Web App:** I Collaborated in CTRL + ALT + HACK, a hackathon organized by our department, to design and develop an Emergency SOS web application focused on rapid response and user safety. We Achieved a Top 10 team ranking.
- **AI-Powered Document Management System:** Developed an AI-driven application using Next.js and TypeScript to automatically detect, classify, and organize academic documents. Integrated Llama 3.1, OCR, and Google Drive API for intelligent classification, keyword extraction, and automated cloud synchronization.
- **Portfolio Website** – Designed and developed a responsive personal portfolio website using HTML, CSS, and animations to showcase skills, projects, and achievements. Implemented interactive UI components, smooth transitions, and modern design principles to create an engaging user experience.
